The following resolution was presented and adopted:

Resolved, That we, the citizens of Jaffrey in town meeting assembled, this thirteenth day of March, 1928, having noted with appreciation the painstaking work and public spirited service recently given by Archie Lafleur, Janitor of Union Hall, in the care of the property and the supplying of needed improvements without expense to the town, hereby express our sincere gratitude to him, and be it further

Resolved, that these resolutions be spread on the town records, and a copy sent to Mr. Lafleur.

The following resolution was presented and adopted:

Resolved, That it is the sense of the voters of Jaffrey, in Town Meeting assembled this thirteenth day of March 1928, that notwithstanding the vote of the town at the annual town meeting in March, 1927, in adopting the recommendations of the special committee on sidewalks (Section 3) "The type of construction be one course (cement) concrete" the Selectmen be requested in installing Project No. 6 "Main Street at Center North, East End Wetherell wall to Thorndike road, 1407 feet," and Project No. 12 "Main Street at Center North, Thorndike Road to Tower door in Town House via Church, 810 feet," to substitute stone slabs for concrete, provided the cost of the same does not exceed the cost of concrete.

Voted under Article 8. That the Town raise and appropriate the sum of $2638.50 for State Aid Construction, upon condition that the State contribute the sum of $1319.00, proceeds to be used for retiring bonds already issued for said construction.

Voted that the town raise and appropriate the sum of $800.00 to be expended under the direction of the Selectmen for the improvement of Gilmore Pond Road, between the residence of E. Labrie and George O. Turner.

Voted that the Town construct a State Aid road on Stratton road in East Jaffrey Village, from the railroad crossing to Humiston field and raise and appropriate $4000.00 to pay for the same.

Voted to instruct the Selectmen to accept "Bradley Court" as a Public Highway, which plan is on file at the Registry of Deeds in Keene, N. H.

Voted that the Town instruct the Water Commissioners to extend a six inch water main from the point where it reaches the Turnpike to a point opposite the residence of Mrs. Ella T. Nightingale, or for a portion of the distance in that direction provided the water takers on such extension shall guarantee the annual payment for an amount of water equal to five per cent of the cost thereof, and pay for the same out of the revenue of the water department.

Voted, That when the so-called Amos Fortune Fund shall have reached the amount of One Thousand Dollars, the Selectmen be and hereby are authorized and directed to pay to the School District, the annual income of said fund, to be awarded for prizes to pupils of the seventh and eighth grades and the High School, for annual contests in public speaking, to be held under the direction of the School Board, to be open to the public without charge, and to be known as the "Amos Fortune Prize Speaking," also to establish and maintain a series of prize spelling matches for pupils of the lower grades, upon such conditions as the School Board may prescribe.

Voted, That the town continue the Committee on Historical Research and appropriate the amount remaining from last year's appropriation, and raise and appropriate the sum of $2000.00 for the work for the ensuing year, the same to be divided $1000.00 for the Committee and $1000.00 for clerical assistance.

Voted that the town raise and appropriate the sum of $200.00 to provide for a swimming instructor and life guard for Contoocook Lake during July and August under the direction of the Jaffrey Parent-Teachers Association.

Voted that the piece of old fire apparatus known as the "Firefly" be put into the care of the Jaffrey Village Improvement Society, where it will receive suitable accommodations and care.

Voted that the Selectmen be authorized to install not exceeding seven new street lights.

Voted that the town accept the sum of $50.00 from the heirs of M. B. Crowe, or other interested parties, the same to be placed in trust in the Cemetery fund, and the town assume the care of the Crowe lot in the Catholic Cemetery, said lot being now cared for in part by the town under a fund accepted from the estate of E. B. Crowe in 1919.

Adjourned.

Respectfully submitted,

JOHN G. TOWNSEND, Town Clerk.

AT THE BIENNIAL ELECTION HELD IN NOVEMBER 1928

Voted that the town adopt the Coat of Arms of George Jaffrey, Esq., for whom this town was named, as the official town seal; the Selectmen be authorized to procure the proper impression die.

Respectfully submitted,

JOHN G. TOWNSEND, Town Clerk.

SURVEY OF STREETS

Selectmen of Jaffrey, N. H.
Gentlemen:

Following is a report on the progress of the Survey of Streets to Jan. 31, 1929:

The field work has been completed, except the measurements of the ground plan of buildings on the following streets: Squantum Road—R. R. to Humiston Park. Ellison St. Railroad St. East side. Main St.—School to Grant Hammond's East Line. Peterboro Road—Main to Shedd property. North Street—Main to Old Peterboro Road. North School Street. School Street. River Street—Main to Gray Line Garage.

This field work includes transit and steel tape measurements of all known property corners on the street lines, water main gates, hydrants and corners of buildings near the street. stadia locations of all buildings, telephone and electric poles, fences, walks, shade trees along the road, street ends of private walks and steps, catch basins, culverts, etc. The only additional field work needed on these roads are the measurements of the ground plan of buildings which are not essential for the street lines but are necessary to make a complete and finished drawing or plan.

Street lines have been established for Squantum Road between the railroad and road to Stratton's Mill, and a building line established on the South side of Main Street between School and River Streets.

Line and grade were given for sidewalks on Squantum and Peterboro Roads, Main and River Streets.

About 75% of the field notes have been plotted on a scale of one inch to forty feet. No tracings have yet been made, the main reason being the fact, as mentioned above, that the plan of buildings are not completed, also in a large area a better layout of the tracings can be made as the area is extended.

All the work has been done by residents of the town, John T. Chouinard, instrument man, Henry L. Bumford, Rene Christian and Homer C. Glover, rodmen, with the writer in charge. The usual field party consisted three men.

The costs were as follows:

Survey of Streets	$387 05
Line and Grade Sidewalks	29 40
Establishing Street Lines	18 90
	$435 35
Leaving a balance of	$64 65

The payroll to date is:

A. S. Buss	$243 80
J. T. Chouinard	76 15
Rodmen	80 00
Transportation	35 40
	$435 35

I would recommend that a sum of $300.00 be appropriated this year for further surveys in the town, line and grade for sidewalks, monumenting the re-established street lines, or any other town survey work which may arise.

I think that some ordnance or ruling should be passed requiring all new public ways to be permanently monumented before being accepted by the town or your board.

Respectfully submitted,

ARTHUR S. BUSS, Surveyor.

ALBERT ANNETT

REPORT OF HISTORY COMMITTEE

A brief summary of the work accomplished by the Committee on Jaffrey History is hereby offered as means of acquainting the Town with the results so far obtained.

Mr. Albert Annett has been employed upon this work three years and Miss Alice Lehtinen for about one and one-half years.

In the first year's work some time was spent in surveying abandoned roads and locating the habitations of the first settlers of the township, now, in many instances far in the woods, remote from any highway and generally forgotten. A considerable study has been made of the few existing records of Rowley Canada, an almost forgotten township granted by Massachusetts in 1736, and generally referred to in State records and local histories as coincident with the present town of Rindge. Investigation has made it possible to plot the original Rowley Canada survey upon a present day map of the locality, by which it appears that this early township covered practically the entire territory now of Jaffrey as well as that of Rindge; and scraps of court records, petitions and remonstrances sent by the inhabitants to the Massachusetts General Court prove that the first settlement of the territory now Jaffrey was made under a Massachusetts Charter at least thirty years before the incorporation of the present town.

A scanty but interesting record of the presence of Indians in this vicinity has been found by a search through the reports of scouting expeditions sent into the wilderness bordering on the Massachusetts settlements during the period of Indian wars. These records, in the hand writing of the scout masters themselves, preserved in the Massachusetts Archives in the State House, in Boston, contained many references to Monadnock and the ponds of this vicinity.

A survey of the three oldest graveyards in town has been made and the location of all known graves accurately recorded, together with the transcription of more than a thousand epitaphs and grave-stone records. These records are a valuable addition to the broken and scanty vital statistics of the town, and are often referred to in the genealogical work now undertaken.

Months have been spent in an exhaustive investigation of the Revolutionary record of the town of Jaffrey, with the result that where our patriotic orders have been decorating eighteen graves of Revolutionary soldiers we now have a list of the graves of seventy-eight Revolutionary soldiers for whom well authenticated records of service are given. The whole number of Revolutionary soldiers who at any time lived in Jaffrey has been increased from one hundred and nine as given in the present History of Jaffrey to two hundred and thirty-nine whose service has been searched out in the military rolls of Massachusetts and New Hampshire and recorded for future reference.

There is no more interesting tradition connected with the town of Jaffrey than that of the raising of the Meeting-house on the day of the battle of Bunker Hill, to the accompaniment of the sound of the guns of the battle. This tradition was discredited by Judge Joel Parker, a native of Jaffrey, in his address at the town centennial in 1873 and had, as a consequence been practically abandoned. A careful investigation of the matter has been made which will, it is believed, make of the old tradition an accepted historical fact—a sentimental achievement, perhaps, but one beyond price.

Study has been given to the original state of the township especially as relates to the primeval forests. Occupations have also been studied and information has been gathered relating to farming and grazing, and the development of our manufactures, beginning with a dozen little water

power mills. Notes have also been made relating to town government, churches and schools in the early days. Much remains to be done but for our later history our records are more nearly complete and there is not the danger that information will be lost or the difficulty that applies to our earliest history.

For the past year Mr. Annett and Miss Lehtinen have given practically all their time to genealogy and the following one hundred and seventy family records, though still open to amendment and addition are practically complete:

Records of the following thirty-six families are incomplete but well under way: Bernier, Boivin, Bourgoyne, Chouinard, Cournoyer, Dame, Dube, Duval, Eaves, Bradley, Foucault, Gamlin, Gagnon, Goodnow, Guillaume, Hart, Kittredge, Lafrenier, Langevin, Lemire, Lincoln, Martin, Page, Priest, Pelletier, Provencal, Robichaud, Rabideaux, Reardon, Ryder, St. Pierre, Sirois (or King), Trembley, Upton, Varville, Kidder.

The omission of a name from the present list is not to be taken as an indication that it has been overlooked or slighted but often that difficulties have been encountered that are not yet solved. It will be impossible to include all who have at any time lived in Jaffrey but it is the present aim to include all families who have owned homes here of which information can be obtained. To this end the cooperation of all who have information relating to their own or other Jaffrey families is invited and earnestly desired. In every instance, where the information can be found, family records have been carried back to the immigrant ancestor, which with our oldest families covers a period of three centuries. In the above list a given name in a parenthesis with a numeral attached signifies the immigrant ancestor; and where more than one is so marked it indicates different lines of the same family name.

In many instances scarcely a line can now be found in Jaffrey records of families that were important factors in our community life for generations. The families themselves have gone and taken their records—such as they had—with them. For the facts here given search has been made through hundreds of published genealogies and local histories as well as through the state and county records in New Hampshire and Massachusetts. For our Revolutionary and family histories valuable information has been obtained from the Congressional Library and the Pension Bureau in Washington.

As a result of three years' work more than fifteen hundred manuscript pages have been typewritten and placed in substantial binders for future use and reference. It is expected that if the work is continued for another year at least three thousand manuscript pages will have been completed, which if published will make two volumes, one of narrative, and one of genealogy, of a size which has come to be standard in recently published town histories.

The Committee recommends an appropriation of two thousand dollars for the coming year, the same as for the past year. It is to be borne in mind that under the present arrangement Mr. Annett and Miss Lehtinen pay all expense connected with the work including travel, stationery, binders, and transcripts of records when obtained from distant sources.

REPORT OF HEALTH DEPARTMENT

For the Year Ending January 31st, 1929

There has been an unusually large per cent of sickness in town the past year.

We are pleased to report only six cases of Scarlet fever.

We had two hundred and thirty-eight cases of measles and the latter part of the year many cases of grippe and pneumonia.

Under the State Board of Health, division of maternity, infancy and child hygiene and assisted by the local public health nurse, Miss Marie Hiller, the child health conference was held in July at the Library. Dr. L. B. Hatch and Dr. H. Morse examined forty-two children of pre-school age. We feel that this work has a definite value in bringing to the people the need of a yearly complete physical examination. In November Dr. Chas. Weaver of the state board of health gave the Schick test to 310 children and adults. The reading of the test showed 22 positives and 288 negatives. In this list of those who showed a positive reaction were not included those who had not had the toxin antitoxin treatment, of there there were more than 10.

There was serious trouble with the septic tank, but by remodeling it is now in first class condition.

The Town water has had the usual number of tests and in each case been pronounced good.

The milk tests have stood a good average with the other towns in the state.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Jaffrey:

I herewith submit to you my eleventh annual report, this being the twentieth under union supervision.

The total enrollment for the school year 1927-28 was 545, four more than the registration for the previous year. For the first twelve weeks of the present year the enrollment was 503 as against 504 for the same period last year. The largest enrollment for the elementary grades for the school year 1927-28 was 54 in grade seven and 52 in grade five. For the present year the largest enrollment is 51 in grade five.

The enrollment of Conant High School for the present year is 61 as compared with 64 for last year.

There were but two changes in the teaching force for the present year. Miss Kate A. Brooks, who has taught grade five during the past three years, went to Lexington, Mass., and her position was taken by Miss Marjorie L. Frost, a graduate of the three year course at Keene Normal School.

Miss Elaine B. Dunn gave up her position in grade two as she was elected to a position in Massachusetts. Miss Olive L. Cournoyer, who had taught Grade II B, during the past three years was transferred to this position, and her grade was taken by Miss Helena K. Brown, a graduate of Keene Normal School, who had two years of teaching experience since graduation in the Columbian primary school in Fitzwilliam.

The work in physical training has been continued the present year under the direction of Miss Mary A. Brown, who had charge of this work during the greater part of the last school year.

The evening school attendance for the present year has been very satisfactory. The work has been carried on by Miss Ruth Peckham, Miss Cunningham and Miss Elizabeth Peckham. For the first time in several years we have a class in beginner's English, but most of those enrolled are taking the more advanced work.

During the school year 1927-28, a series of tests furnished by the State Board of Education were given in the high school. An intelligence test was given to the senior class in April, and a test in American History and English was given early in June. The results of these tests were very encouraging, several of the pupils ranking very high in the list of the 2,300 pupils of the state who took the tests at this time.

A recent test given in mathematics to the present senior class also showed good results. Although there has not been time to receive a tabulation of the results throughout the state, the score sheet shows an exceptionally high rank for the class.

The playground and bath house has been carried on by the Parent-Teacher Association during the summer vacation, under the charge of Mr. Orcott as play ground leader and swimming instructor, as was the case the previous summer. The popularity of these activities, and the importance of having a life guard and swimming instructor at the lake during the summer is recognized by all parents.

The scholarship award of the Parent-Teacher Association in June, 1928 was made to Marjorie Record, who entered Keene Normal School in September.

The work of our high school and elementary grades is in the hands of experienced and competent teachers, and the pupils under their charge are doing excellent work.

In previous reports I have suggested the desirability of more parents visiting our schools, and observing for themselves the work of their children. During the past year there were 191 visits recorded, but of these only fifty-five were by parents. In two grades ten visits were made by parents, in three grades only one parent made a visit, while in another grade there was no visit by a parent during the year.

I desire at this time to thank the school board and all interested citizens who have given our schools loyal support during the past year.

Very truly yours,

LEWIS S. RECORD,
Superintendent of Schools
